Sand Dreams™ Press Publishes New Book

Imre Vitez, author and President of Sand Dreams™ Press, has published his second book, “With & Without,” which is a collection of lyrics, prose, stories, and songs.

Book Summary

The passages in “With & Without” are collected in themes such as elements of nature, seasons of the year, rock n’ roll, running, and driving, and are reflections culled from life experiences of someone who has passion for inquisitive observation and a desire to capture those observations in written word and photographic images.

Reading this book will enable you to:

- reflect upon your experiences with a friend
- gain a different perspective on familiar topics
- bring a smile, a tear, or a cheer to your day

Through this collection, the author reveals himself as he shares his many life experiences. The selections reflect the author’s curiosity, patience, and passion through prose that transport the reader to a different place, time or situation. Each excerpt is distinct, relatable, and packed with great imagery. If you have a desire to sit back for a few minutes and catch your breath, this book will take you to a time and a place not that long ago, and just down the road.

An excerpt from “Soda Boxes:” “I raise a toast to a fine day, and watch the fireflies begin their dance. Two wooden soda boxes, upon which my feet now rest, provide a comfort beyond measure.”
